SPECIFIC [] Contact

RYBAT/PBSUCCESS

1. On 18 March KUBARK met with Iden A to investigate the possibility of having Iden B go into WSBURNT and obtain information of KUFIRE and possible KUGOWN nature.

2. Iden A stated he would call the offices of Iden B and determine his itinerary since he is returning to the general area after a trip to Africa. Iden A stated he would then write Iden B of interest in having him investigate conditions in WSBURNT. Iden A has had past dealings with KUGOWN representatives and appeared cognizant of the KUGOWN ramifications of the meeting.

3. Upon the return of Iden B to PBPRIME he will be debriefed by KUBARK.

4. The report on current activities in WSBURNT is being forwarded under separate cover.
